## walking tour

## URBAN ART, CONFLICT AND CHANGE

WEDNESDAY 23

14:00

Floor 0

From ICS, we'll walk (5 minutes) to Entrecampos metro station, and take the tube to Olaias.

The walk will last a couple hours. Then, you may take the train, or one of several buses to the city centre - we may also stop at micro-brewery Dois Corvos to get the full experience of a changing neighbourhood.

To make things easier, please buy a travel card earlier on, you can get it at the machines in any tube or train station. You can charge it with "zapping", which is the most flexible way (the commute will cost ~3 euros to go and come back).

The *tour* will be led by **Andrea Pavoni**, assistant research professor in geography at Dinamia'CET, ISCTE-IUL.
